

International Credit Insurance & Surety Association (ICISA)

ICISA Members

ICISA's members account for over 95% of the world's private credit insurance business. Surety companies became members of the association from the 1950s.

Today, with almost USD 3 trillion in trade receivables insured and billions of dollars worth of construction, services and infrastructure guaranteed, ICISA members play a central role in facilitating trade and economic development on all five continents and practically every country in the world.
